**Catholic Communications collection today:** In your box of envelopes, there is one for the Catholic Communications Campaign (CCC) whose mission it is to contribute to the process of evangelization by fostering activities in relation to TV, radio, internet, and other media, and through special projects of the Catholic press. This annual collection is taken up in the dioceses/eparchies, which remit 50% of the funds collected to the National Office. From these funds, grants are made by the USCCB Subcommittee on the Catholic Communications Campaign. The remaining 50% portion of the collection is retained by the dioceses/eparchies for use in local communication projects. To donate to this, write "CCC collection" in the memo line of your check. If you give cash, please do so in a specially marked envelope for the Catholic Communications. You can make a donation to this until June 14. Thank you!

**Catholic Home Missions collection concluded:** This special collection concluded last weekend and raised \$160 which has been mailed to the Eparchy. Thank you!

**Eparchial Appeal traditionally concludes next Sunday, May 31:** The annual Eparchial Appeal traditionally concludes at the end of May each year. It has been extended beyond that, but you might want to get your pledge and payments in by next weekend so you don't have to think about it later. This is the most important special collection for parishioners second only to your regular donations to the parish. It is a way to support the work of our Eparchy. To those of you who have donated this year, thank you very much!

**Sending email articles to Fr. Michael:** I get a lot of emails in the midst of a busy schedule. Many of you have sent or forwarded emails of articles you think I may find interesting. Many times, I read the title of an email, decide it's worth reading later, and then I might later read it or forget about it depending on my schedule. Emails easily get buried and forgotten. Please know that even if I don't respond to something, I still may have read a part of it or have gotten an idea of it from its title. Thank you for sending these things.

**Thank you to those sending tithes and donations:** During these difficult and uncertain times, I'm moved by those of you who mail or drop off a donation here. Thank you very much for your attention and care for St. Anne's!

**Byzantines love mystery:** We Byzantine Catholics often use the word mystery. But when we do, we are not talking about Sherlock Holms murder mysteries. Rather, we are talking about something of wonder in which we enter into more deeply with time. Contemplating God or the beauty of nature are examples. The famous author Chesterton says: "Mysticism keeps men sane. As long as you have mystery, you have health; when you destroy mystery, you create morbidity."—G.K. Chesterton in his book *Orthodoxy*
